YOU'VE GOT TO SEE THIS PLACE

Legends Sports Complex is a membership based facility that is the ultimate destination for athletes, fans and anyone who loves sports. Legends is more than a 100,000 square foot facility on 17 acres nestled in The Woodlands, Texas (one of the fastest growing planned communities in America). Excellent facilities, services and programs make Legends a one of a kind sports complex that the entire family enjoys.

SPORTS IN ITS GREATEST FORM

By providing Sports in its greatest form, Legends gives you **"client opportunities"** in its greatest form by providing **"business exposure to large numbers of decision makers"**.

As one of the largest multi-sports complex and fitness centers in the country, this state of the art members-based facility will draw over 1 million prospective customers for you through our doors every year.

Legends offers multiple indoor and outdoor fields for softball, baseball soccer, lacrosse and football tournaments. A boxing/kick boxing facility (with monthly nationally ranked tournaments), full-size basketball and volleyball courts and batting cages are just a few reasons we provide a high volume of potential clients for your business.

In addition, our facility has an excellent fitness center with top-of-the line fitness equipment, smoothie bar with healthy food options, meeting areas, adult locker and lounge rooms, kids club, pro shop, and much more!

Legends hosts national, regional and local sporting tournaments. We also host the NFL punt-pass-kick, as well as auto shows, corporate events and many other "foot traffic" opportunities for your business.

Also available are restroom signage, score table banners, jersey logos and much more! Wall signage is 4'X4' or 4'X8'. Ceiling banners are 8'X2' and pole banners are 4'X2'.

Legends offers a variety of packages that will fit any budget. Legends Sports Complex strives to tailor each of its sponsorship packages to meet the goals of its individual partners. We can custom design the perfect package that fits your needs. The mean household income of The Woodlands residents in 2005 was about \$105,000 per year. Over 50 percent of The Woodlands residents have an income over \$100,000, with 16 percent of the population with an income over \$200,000. Many of The Woodlands residents, therefore, may have an extraordinary amount of discretionary income to purchase our sponsors products and services.
