***L**egends Youth Flag Football is the best place to learn the game before you put the pads on and quickly develops the football skills necessary to succeed in tackle. **WHY FLAG FOOTBALL:** We find that most players are better off playing a couple of years of flag football to develop a good foundation of the fundamentals and knowledge of the game prior to jumping into a tackle program. If kids don't understand how the game is played tackle can be a real confidence buster.*

- 8 game season plus playoffs.
- The League will be grouped and teamed as follows: NCAA, Semi-Pro, and NFL based on age and skill set as evaluated by Legends coaches.
- NO DADDY Ball....Coaches handpicked by Legends staff.
- Practice consists of game speed drills, detailed instruction of game strategy, and rules.
- All players will receive a game uniform and flag football belt.
